Section 2-26-5 (Excerpt) ALABAMA SEED LAW

(a) Every person who sells, offers for sale, exposes for sale, distributes or solicits orders for the sale of any agricultural, vegetable, herb, tree, shrub or flower seed to retail seed dealers, farmers or to others who use or plant such seed in the State of Alabama shall, before selling or offering such seed for sale or distributing or soliciting orders for the sale of such seed and on or before January 1 of each year secure an annual permit from the Commissioner of Agriculture and Industries to engage in such business. Seed dealers and other sellers of seed shall apply for an annual permit upon forms prescribed by the commissioner, and such permit shall be issued upon the payment of the following permit fees when the application is in proper form.

The State of Alabama only allows the sale of Domestic Industrial Hemp Seed with a tetrahydrocannabinol (THC) concentration of 0.30% or less based on dry matter and adjusted to measure of uncertainty.

Currently the Alabama Hemp Program requires for purchases from other states within the United States to attach at a minimum the following documents:

- Documentation verifying source as a legal hemp operation in the state of origin.
- Growing season test results indicating the variety, and the name, address, email, and telephone number of both the lab and the seed source.

We strongly encourage Hemp Seed Dealers to either include this information with their seed sales or make it available to the grower upon request as well as including a minimum of 400 extra seeds for regulatory testing.

Domestic Industrial Hemp Seed Dealers are subject to all laws, requirements and penalties of the Alabama Seed Law Code of Alabama Title 2, Chapter 26 and Alabama Administrative Code 80-11-1 and 80-11-2.

NOTE: OTHER REQUIREMENTS MAY BE NECESSARY AT ADAI'S DIRECTION.

For each person selling seed to retail seed dealers, farmers or others who use or plant the seed, not displayed on a supplemental container display, a permit fee for each place of business, or each representative or representatives, where such person does not maintain an established place of business in Alabama, shall be based on gross receipts from the sale of such seed for the last preceding year in Alabama established by the Board of Agriculture and Industries within the range of the schedule set out below as follows:

Gross Receipts	Permit Fee
