Thirty (30) CEU points are required for renewal during the three-year certification period. Meetings are approved for 10 points. In the case of one- or two-hour meetings, online courses, or webinars, the applicator must attend the minimum amount indicated in order to qualify for points.

Obtaining CEU points does not renew your certification. Renewal notices are mailed out the first week of each month to the applicators whose certifications expire that month. In order to renew, you must submit to us a completed renewal application, the appropriate renewal fee, and a digital photo if you don’t have a current photo on your permit (send to cert@agi.alabama.gov).

Applicators may complete only one approved online/correspondence course or video series within the three-year certification period to receive recertification points. Additionally, applicators may not receive credit for attending the same meeting twice during a renewal cycle.

Recertification points will only be awarded to applicators whose certifications are in good standing (i.e., not expired) and if the meeting attended was approved for the applicator’s certification category(ies). Meetings must be submitted for approval by sponsors at least 30 days in advance of a meeting date.

Applicators must sign the roster sheet of a meeting/conference (or scan in/out, if applicable) in order to receive credit for attendance. If a meeting is multiple days and approved for 10 points per day, applicators must sign roster sheet (or scan in/out) each day in order to receive credit for each day.

If you do not have enough points to renew, you may apply to take a recertification exam by visiting http://apply.adaitlesting.com. Submit renewal app and fee upon passing exam.
