Licenses for sale of commercial fertilizer – (a) Before any person sells or offers for sale any commercial fertilizer in this State for use therein or before any person sells such fertilizer for importation into this State for use therein where such person is required to comply with the labeling requirements of section of this act, such person shall apply for and obtain from the commissioner a license authorizing the sale of commercial fertilizer. The application for a license shall be accompanied by the fee hereinafter required and shall be on forms furnished by the commissioner which forms shall contain certain information as is necessary for the issuance of the license. All such licenses shall expire on September 30, the end of the fiscal year for which they are issued and shall be renewed annually as of October 1, upon payment of the required license fee. The license fee shall be based upon the number of tons of commercial fertilizer sold in or for importation into the State for use therein during the preceding 12-month period which ends on June 30. The amount of the license fee shall be based upon the following schedule.

<u>TONS SOLD</u>		<u>LICENSE FEE</u>
LESS than 100 tons		37.50
100 tons or more but less than	1,000 tons	75.00
1,000 tons or more but less than	5,000 tons	150.00
5,000 tons or more but less than	10,000 tons	225.00
10,000 tons or more but less than	25,000 tons	300.00
25,000 tons or more but less than	50,000 tons	375.00
50,000 tons or more but less than	75,000 tons	450.00
75,000 tons or more but less than	100,000 tons	525.00
100,000 tons or more		750.00

If the license fee is not paid within a period of thirty days after the date on which payment thereof is due, a delinquent penalty of ten percent of the amount due (minimum \$10.00) shall be added to the license fee. The license fee due hereunder, and delinquent penalty, shall constitute a debt and become the basis of judgment against the person required to obtain the license if not paid by such person as herein required.

(b) The amount of the license fee required to be paid by persons not previously selling commercial fertilizer in or for importation into this State shall be the minimum fee of \$37.50 which license shall also expire on September 30 following the date of issuance at which time said license shall be renewable in accordance with (a) of this section. (c) In the event of sale or other transfer of ownership of a commercial fertilizer manufacturing or sale facility by a person who has a license as herein required, such license may be transferred to the new owner, provided however, the amount of such new owner's license required on October 1 shall include the amount of the person's previous sales from whom said license was transferred.

It is hereby intended that every person who manufactures or formulates and labels any commercial fertilizer which is sold in or for importation into this State, or any person who labels such commercial fertilizer and sells it in or for importation be required to procure a license and pay the fee therefor as herein required.

****Please submit LABELS for all packaged or bagged fertilizer to be sold in Alabama.****
