

PESTICIDE REGISTRANT POINT OF CONTACT FORM

*Correct completion of this form and subsequent updates ensure better assistance with the registration/
maintenance of your pesticide products*

RESPONSIBILITIES OF THE POINT OF CONTACT (P.O.C.)

- It is the responsibility of the registering company or their assigned agent to complete the P.O.C. form.
- Only ONE P.O.C. is to be listed per each EPA identified company - INCLUDING *SUB-REGISTRANT COMPANIES*. Example: A subregistrant company has the EPA identified company number of 10234. ALL products registered under the #10234 must be handled by ONE P.O.C.
- The listed P.O.C. is responsible for ALL PRODUCTS under a single company EPA number, which includes: NEW PRODUCT REGISTRATIONS, SUB-REGISTRANT PRODUCTS and ALL RENEWALS.
- This P.O.C. form must accompany any new product application when submitted for a company with no current history in Alabama.
- If the person identified as the P.O.C. should change (i.e. retire, change jobs, leave, etc.) the registrant company is responsible for immediately submitting an updated P.O.C. form.

**Company name must correspond with the EPA company number*
