The Alabama Department of Agriculture and Industries has transitioned to an all-online portal for pesticide product registrations. As such, our policy for late fees and civil administrative penalties has also changed. Beginning January 1, 2026, the fees and dates they are applied as follows:

**LATE FEE:**

**\$150.00 per product applied on March 1<sup>st</sup>**

If your renewal is not completed by **February 28<sup>th</sup>/29<sup>th</sup>**, then a **LATE FEE** of **\$150.00** per product will be added.

**CIVIL ADMINISTRATIVE PENALTY:**

**\$500.00 per product applied on April 1<sup>st</sup>**

If your renewal is not completed by **March 31<sup>st</sup>**, then a **CIVIL ADMINISTRATIVE PENALTY** of **\$500.00** will replace the **LATE FEE** that was applied in the previous month.
