If you are a landscape company, do you purchase plants for the client and then charge the price of the plants back to the client? yes no

If you are a landscape company, do you have a retail location? yes no

State Law requires that nursery stock be purchased from certified sources only. Section 2-25-6, Code of Alabama (1975), requires that anyone or any agency that buys and re-sells nursery stock register with the Department of Agriculture and Industries, annually, on or before October 1st. A \$20 permit fee is required for each separate place of business (list additional locations on the back of this form or on a separate attachment).

Shipping tags are required on all boxes, bundles, or packages of nursery stock sold in Alabama, other than local retail sales to the ultimate user of the nursery stock for their private use.

Nursery Stock Source List

Please complete the nursery stock source list. This is a list of all sources from which you purchase plants. The sole purpose of the Nursery Stock Source List is to verify that all plants are being purchased from certified sources. This helps to prevent plant pests, noxious weeds, and diseases from entering or spreading across the state of Alabama.

Please note: you are required to submit the nursery stock source list with your application or your application will not be processed.

Please list complete name and physical address of business that plants are purchased from.
