To produce certified sweet potato products, each producer must apply for certification annually with this department. This certification will be in accordance with the provisions of chapter 80-10- 2, code of Alabama (1975). To be properly certified, each producer must complete an application for grower certification. Please return a copy of this application, along with your check or money order, for the \$100.00 certification fee and the \$5.00 per acre inspection fee **no later than 30 days from the date at the top of this application**. Submission after this date must include a 15% penalty fee applied to the whole amount. (\$15.00 for the certification fee and \$0.75 per acre). Make checks or money order payable to the Alabama Department of Agriculture and Industries. Return the completed application and check or money order to the address above.

Please note that storage, plant bed, and field inspections, which are necessary to complete the certification process, will not be conducted unless we receive your completed application and certification fees. In addition, Sweet Potato tags cannot be purchase until all fees are paid for certification year.

Please list the sweet potato varieties you are requesting certification for:
 (Include additional varieties on a separate sheet of paper if necessary)
