I hereby apply for a Ginseng Collector's Permit so that I may collect wild ginseng for the purpose of selling same for export. I agree to provide any and all information required under Section 5, Act No. 87-582, as well as any and all information concerning the precise location of any area which I have harvested ginseng.

I have read Act No. 87-582 and the rules and regulations promulgated supplemental thereto and agree to abide by the requirements therein.

I furthermore declare that all ginseng will be harvested this year between September 1 and December 31, that all ginseng collected will have at least 3 five-leaf prongs with ripe berries, and that all berries will be planted at the collection site.

I have enclosed a check or money order for \$10.

Payment must be received no later than December 15th or before you begin collecting.

Make checks payable to the Alabama Department of Agriculture and Industries

Record of Ginseng Harvest Season Report

Make additional copies as needed

Ginseng collectors must keep a precise record of the location of all Ginseng collections and must have these records certified by the Commissioner of Agriculture and Industries for any Ginseng sold after December 31.
A copy of these records should be provided to the Dealer when sold.
