TRANSMITTAL SHEET FOR NOTICE OF INTENDED ACTION

Control: 80
Department or Agency: Alabama Department of Agriculture and Industries Animal Industry
Rule No.: 80-3-6-.41
Rule Title: Additional Disposal Methods for Non-Diseased Carcasses
Intended Action: New

Would the absence of the proposed rule significantly harm or endanger the public health, welfare, or safety? Yes

Is there a reasonable relationship between the state's police power and the protection of the public health, safety, or welfare? Yes

Is there another, less restrictive method of regulation available that could adequately protect the public? No

Does the proposed rule have the effect of directly or indirectly increasing the costs of any goods or services involved? No

To what degree?: N/A

Is the increase in cost more harmful to the public than the harm that might result from the absence of the proposed rule? No

Are all facets of the rule-making process designed solely for the purpose of, and so they have, as their primary effect, the protection of the public? Yes

Does the proposed action relate to or affect in any manner any litigation which the agency is a party to concerning the subject matter of the proposed rule? No

Does the proposed rule have an economic impact? No

If the proposed rule has an economic impact, the proposed rule is required to be accompanied by a fiscal note prepared in accordance with subsection (f) of Section 41-22-23, Code of Alabama 1975.

Certification of Authorized Official

I certify that the attached proposed rule has been proposed in full compliance with the requirements of Chapter 22, Title 41, Code of Alabama 1975, and that it conforms to all applicable filing requirements of the Administrative Procedure Division of the Legislative Services Agency.

**Additional Disposal Methods for Non-Diseased  
Carcasses.**

(1) In addition to the disposal methods for animal carcasses provided in Ala. Code §3-1-28, the State Veterinarian may publish and maintain a list of generally approved disposal methods. The State Veterinarian may provide approval for a specific disposal method that is not on the list of generally approved methods by providing written permission to the individual requesting approval if the State Veterinarian is satisfied that the proposed disposal method is effective and safe.

(2) Disposal of poultry grown for commercial purposes is governed by Chapter 80-3-20 of the Alabama Administrative Code.

(3) Disposal of diseased carcasses is governed by Ala. Administrative Rule 80-3-6-.26.
